## TRUTH-IN-SAVINGS DISCLOSURE

### PRIMARY SHARE ACCOUNT

**Rate Information:**

The dividend rate and annual percentage yield may change every dividend period. We may change the dividend rate for your account as determined by the credit union board of directors.

**Compounding and crediting** - Dividends will be compounded every quarter. Dividends will be credited to your account every quarter.

**Dividend period** - For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is March 31.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

**Minimum balance requirements:**

The minimum balance required to open this account is \$25.00.

**Daily balance computation method** - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**Transaction limitations:**

During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized or automatic transfer, computer transfer, or telephonic order or instruction, or similar order to a third party. If you exceed the transfer limitations set forth above, your account will be subject to closure by the credit union.

## 36-MONTH YES STEP-UP CERTIFICATE (Ages 0-21)

**YES Step-Up Certificate Option Plan and Rate Information** - The dividend rate and annual percentage yield may change. We will not change the rate on your account during the term of the account. However, you have the option during each term of this account to exchange this dividend rate for a new dividend rate. The new dividend rate will be the dividend rate we are then offering for our Step-Up certificate. This exchange will be at no cost to you. If you make an exchange, the maturity date of this account will remain the same as originally scheduled. You may exercise this option once during each term (the original term and each renewal term).

**Compounding frequency** - Unless otherwise paid, dividends will be compounded every month.

**Crediting frequency** - Dividends will be credited to your account every month. Alternatively, you may choose to have dividends paid to you or to your share account every month rather than credited to this account.

**Dividend period** - For this account type, the dividend period is monthly.

**Effect of closing an account** - If you close your account before dividends are paid, you will not receive the accrued dividends.

### Minimum balance requirements:

Please refer to our separate rate schedule for the minimum balance requirements.

**Daily balance computation method** - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

### Transaction limitations:

You may make one additional deposit into your account during the certificate term.

You may not make withdrawals of principal from your account before maturity.

You can only withdraw dividends before maturity if you make arrangements with us for periodic payments of dividends in lieu of crediting.

**Early redemption penalties** (a penalty may be imposed for redemptions before maturity) -

The penalty we may impose will equal six months dividends on the amount withdrawn subject to penalty.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

**Withdrawal of dividends prior to maturity** - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

**Automatically renewable account** - This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. If you prevent renewal, your funds will be placed in a dividend-bearing account.

Each renewal term will be the same as the original term, beginning on the maturity date. Dividends will be calculated on the same basis as during the original term.

You will have a grace period of ten calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.

## SHARE CERTIFICATE

**Rate Information** - You will be paid the disclosed rate until first maturity.

**Compounding frequency** - Unless otherwise paid, dividends will be compounded every month.

**Crediting frequency** - Dividends will be credited to your account every month.

Alternatively, you may choose to have dividends paid to you or to your Share account every month rather than credited to this account.

**Dividend period** - For this account type, the dividend period is monthly.

**Effect of closing an account** - If you close your account before dividends are paid, you will not receive the accrued dividends.

### Minimum balance requirements:

Please refer to our separate rate schedule for the minimum balance requirements.

**Daily balance computation method** - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

### Transaction limitations:

After the account is opened, you may not make additions into the account until the maturity date stated on the account.

You may not make withdrawals of principal from your account before maturity.

You can only withdraw dividends before maturity if you make arrangements with us for periodic payments of dividends in lieu of crediting.

**Early redemption penalties** (a penalty may be imposed for redemptions before maturity) -

- If your account has an original maturity of one year or less:

The penalty we may impose will equal three months dividends on the amount withdrawn subject to penalty.

- If your account has an original maturity of more than one year:

The penalty we may impose will equal six months dividends on the amount withdrawn subject to penalty.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

**Withdrawal of dividends prior to maturity** - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

**Automatically renewable account** - This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. If you prevent renewal, your funds will be placed in a dividend-bearing account.

Each renewal term will be the same as the original term, beginning on the maturity date (unless we notify you, in writing, before a maturity date, of a different term for renewal). The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account.

You will have a grace period of ten calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.

## COMMON FEATURES

### Bylaw requirements:

You must complete payment of one share in your Primary Share account as a condition of admission to membership.

**Transaction limitation** - We reserve the right to at any time require not less than seven days notice in writing before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Regulation D.

**Nature of dividends** - Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period. (This disclosure further explains the dividend feature of your non-term share account(s).)

**National Credit Union Share Insurance Fund** - Member accounts in this credit union are federally insured by the National Credit Union Share Insurance Fund.

**Overdraft Fee Transaction Categories** - The categories of transactions for which an overdraft fee may be imposed are those by any of the following means: share draft, in-person withdrawal, ATM withdrawal, or other electronic means.

Please refer to our separate fee and rate schedules for additional information about charges and rates.
